ANDAMAN 2026

We are proud to announce the launch of a new operational chapter in the Indian Ocean: a seasonal expedition through the Andaman Islands, taking place from January 15 to April 15, 2026.

This exclusive program marks a decisive step in our regional expansion: combining high-end charter operations with long-term positioning in one of Asia's most pristine and high-potential yachting territories.

Based in Port Blair and operated exclusively aboard the classic cruiser Camara C, The Andaman Expeditions are designed to elevate our visibility among discerning travelers, and establish a first-mover advantage in a market still largely untouched by international luxury fleets.
